CAREER OBJECTIVE

B.E. Electronics & Telecommunication Engineering student with hands-on experience in programming, IoT and embedded projects. Currently developing Python programming skills with a strong foundation in C, C++, OOP and DSA. Seeking a Python Programming Internship to apply problem-solving skills, build practical software solutions and gain industry experience.

EDUCATION

B.E. Electronics & Telecommunication Engineering	**2023–2027**
Padmabhooshan Vasantraodada Patil Institute of Technology, Budhgaon, Sangli	CGPA: 6.80
HSC	66.50%
SSC	86.80%

TECHNICAL SKILLS

- **Programming:** Python Programming, C, C++, Object-Oriented Programming, Data Structures & Algorithms
- **Python:** Core Python, functions, file handling, debugging and problem solving
- **Tools & Technologies:** Git & GitHub, Arduino IDE, MATLAB, SimulIDE, Xilinx, Proteus
- **Embedded / IoT:** ESP32, ESP8266, Arduino, Raspberry Pi, IoT, Sensor Interfacing

PROJECTS

- **Smart Waste Management System** | Raspberry Pi, ESP32, Ultrasonic Sensors, IoT
- Built a prototype to monitor multiple dustbins, calculate fill level, display location/status and trigger an email alert when the bin reaches the defined threshold.
- **Wi■Fi Controlled Robot** | ESP32, Arduino/C++
- Developed a Wi■Fi controlled robot demonstrating wireless communication, motor control and embedded programming.
- **Voice Controlled Home Automation** | ESP8266, Sinric Pro, Google Home, Relay
- Developed a voice-controlled system for switching electrical appliances through Wi■Fi and cloud-based control.

TRAINING & INTERNSHIP

- Embedded Systems — Internshala Trainings, Sep 2024–Oct 2024; completed certified 6-week training and scored 100% in the final assessment.
- Arduino — Internshala, Student Intern, Aug 2024–Oct 2024.
- VLSI Design — Internshala, Student Intern, Jul 2025–Sep 2025.
- C, C++ & DSA — Computer Services, Sangli, Student Intern, Dec 2025–Apr 2026.
- IoT Internship — Elevance Skills; practical work with ESP32/IoT concepts and Wokwi-based project development.

ACHIEVEMENTS

- University Inter-Zonal Runner-Up — Triple Jump
- University Level Sports Certificate
- Hackathon Certificate
- Project Expo Certificate

SOFT SKILLS & LANGUAGES

Communication • Teamwork • Leadership • Problem Solving • Time Management | English • Marathi • Hindi
